25X1

Germany (Russian Zone)

25X1 1. Prof. Dr. von Bülow, author of a book "Alluvium" is head of a branch of the Geologische Landesamt recently opened in Rostock.

25X1

25X1 2. Dr. Alexander Meissner, former Siemens specialist and inventor of the "Rückkopplungsschaltung", is now working for the Russians and recently moved into the Russian Sector of Berlin.

25X1 3. (fnu) Dobke, another former Siemens employee, made a similar transfer of residence in Berlin and is now working on direct current long distance lines.

25X1

4. Prof. Kucharski, present Rector of the Berlin Technical University and one of the few Russian Zone physicists in line with the SED, strongly favors the affiliation of the Physikalische Gesellschaft to the Kulturbund zur demokratischen Erneuerung Deutschlands. This has been generally opposed, and especially at the Technical University, where it has been decided not to reelect Kucharski to the Rectorship nor even to the post of Pro-Rector.
